PAVING INSPECTOR
CERTIFICATION TRAINING PROGRAMME

BUILDING EXPERTISE. ENSURING QUALITY. PAVING THE WAY.

15–16 DECEMBER 2026 | 8:00 AM – 5:00 PM

THE JAMAICA PEGASUS HOTEL

COURSE DELIVERED BY

ASPHALT INSTITUTE

WHAT THE PROGRAMME COVERS

Two days of training in Jamaica, delivered by the Asphalt Institute and covering all eight PIC modules:

1 Asphalt Inspector Responsibilities **2** Materials
3 Asphalt Mixes and Mix Design **4** Mix Production
5 Transportation, Preparation for Paving and Tack Coats
6 Placement **7** Compaction **8** Quality Assurance

TARGET PARTICIPANTS

Government agencies, road authorities, municipal engineering departments, consultants, contractors, quality assurance personnel and other professionals involved in asphalt paving and quality control.

EXPECTED OUTCOMES

- Asphalt Institute PIC certification and 16 PDHs for participants who pass the online module examinations (80% pass mark), taken within two weeks of the course
- Stronger technical capacity in asphalt paving inspection
- Improved quality assurance and compliance
- Better-performing and longer-lasting asphalt pavements

WHO IS THE ASPHALT INSTITUTE?

Founded in 1919 and headquartered in Lexington, Kentucky, the Asphalt Institute is the international trade association of the asphalt industry. Its members produce 90% of the liquid asphalt in North America.

For more than a century it has led the way in asphalt engineering, research and education, and its technical manuals are used by road agencies and contractors around the world.

Your instructors are Asphalt Institute professional engineers and asphalt specialists, teaching from the Institute's own manual, MS-22, Construction of Quality Asphalt Pavements.

REGISTRATION FEE

US$400

or J$63,500 per participant

SPECIAL 50% DISCOUNT FOR ENGINEERING STUDENTS

REGISTRATION FORM

PIC Training Programme · 15–16 December 2026, 8:00 a.m. – 5:00 p.m. · The Jamaica Pegasus Hotel
Please complete one form for each participant and print clearly.

1. PARTICIPANT DETAILS

Full name (as it should appear on the certificate): _____

Job title: _____ **Organisation:** _____

Email: _____ **Telephone:** _____

Sector: ☐ Government ☐ Private sector ☐ Engineering student

University or college (engineering students only): _____

2. REGISTRATION FEE

☐ **Standard fee: US$400 or J$63,500**

☐ **Engineering student (50% discount): US$200 or J$31,750**

3. PAYMENT

OPTION 1: DIRECT BANK DEPOSIT

Bank: **NCB**
Branch: **109 Corporate Banking Division**
Account name: **TransJamaican Highway Limited**
Account number: **091021463**
Account type: **Current**

OPTION 2: TRANSJAM HIGHWAYS E-STORE

Pay online through the TransJam Highways e-Store at **www.transjamhighways.com/estore**.

Payment method: ☐ Direct bank deposit ☐ TransJam Highways e-Store

Amount paid: _____ **Date of payment:** _____

Deposit slip or e-Store receipt number: _____

Participant signature: _____ **Date:** _____
